

Bereavement Counselling Service

Bereavement Counselling Returns to Quay House in 2024

Perry & Phillips Funeral Directors are delighted to announce the resumption of their highly regarded bereavement counselling sessions at their Quay House facility in Bridgnorth. After a hiatus due to the pandemic, the funeral home is reinstating these crucial sessions to provide much-needed support to those navigating the difficult journey of grief.

The new group bereavement sessions will be held over a 3 month period, with 1 session per month, to offer continuity of support during the changing journey of grief. People are encouraged to attend all 3 sessions to maximise the benefit of this supportive and safe space in which they can be heard, share thoughts and feelings to the point they feel comfortable to, or to just simply listen and receive information and strategies to help them through this difficult time. The sessions will take place monthly on a Tuesday, running from 2:30 pm to 4:00 pm.

To book your place on the next 3 session counselling programme and connect with Bereavement Counsellor Jen Brown, individuals are encouraged to reach out to Perry & Phillips.

They can be contacted at 01746 765255 or via email at enquiries@perryandphillipsfunerals.com.
